Online Poster Making Competition.

Dear Students,

We have organized poster making competition on occasion of world environment day on 05/06/2022.

The theme of this competition is based on **ENVIRONMENT DAY.**

The rules for the competition:

- You have to participate individually.
- You have to use your own material and the size of your poster must be A3 page.
- You need to make your poster on chart paper only.
- You have to submit your poster online through Google form till 10:00am 06/06/2022. The Google form will be sent to you soon.

Thank You
