Event Date: 23th December 2023
Event Venue: Vidyabharti trust campus, umrahk
Event Time: 8:00 AM Onwards
Organised By: Vidyabharti trust college of business, computer science and research Umrahk
Academic year: 2023-2024

Introduction: The Vidyabharti Trust College of Business, Computer Science, and Research successfully organized its annual inter-school event, "Ignite," on the 23rd of December 2023. The event aimed to foster creativity, talent, and healthy competition among students from various schools. Ignite provided a platform for students to showcase their skills in diverse fields, including dance, singing, treasure hunt, informal games, rangoli, and extempore competitions.

Registration : 1200+ from 40 school of near by bardoli

Participants: More than 500+

Event Highlights:

- 1. Dance and Singing Competitions:** The day kicked off with electrifying performances in the dance and singing competitions. Students from participating schools mesmerized the audience with their exceptional talent and unique styles. The competition showcased a rich diversity of cultural performances, from classical to contemporary.
- 2. Treasure Hunt:** The Treasure Hunt was a thrilling event that tested participants' problem-solving skills and teamwork. Teams enthusiastically navigated through the designated areas, solving clues and puzzles to uncover hidden treasures. The activity not only added an element of excitement but also encouraged strategic thinking among the participants.
- 3. Informal Games:** Various informal games added a touch of fun and camaraderie to the event. From sack races to tug-of-war, students actively participated, creating a lively and cheerful atmosphere. The informal games fostered a spirit of sportsmanship and teamwork among the participants.
- 4. Rangoli Competition:** The Rangoli competition brought out the artistic flair of the students. Intricate and vibrant rangoli designs adorned the

event venue, reflecting the participants' creativity and cultural diversity. Judges were faced with a tough task in selecting the winners among the impressive entries.

5. **Extempore Competition:** The Extempore competition provided a platform for participants to showcase their spontaneous speaking skills. Topics ranged from current affairs to social issues, and participants delivered articulate and thought-provoking speeches, impressing both judges and the audience.
6. **LAN Gaming:** Technology enthusiasts engaged in intense LAN gaming competitions, where strategic thinking and quick reflexes were put to the test. The gaming arena buzzed with excitement as participants competed in popular multiplayer games.
7. **Quiz Competition:** The quiz competition tested the participants' general knowledge and awareness. Teams from different schools competed fiercely, answering questions from various domains, making it an intellectually stimulating segment of the event.

Conclusion: "Ignite" was a resounding success, bringing together students from different schools and fostering a sense of healthy competition and camaraderie. The event not only showcased the diverse talents of the participants but also provided a platform for cultural exchange and collaboration. Vidyabharti Trust College of Business, Computer Science, and Research once again demonstrated its commitment to promoting holistic development and nurturing talent in the student community. The success of Ignite promises an even more exciting and engaging event in the years to come.
