VIDYABHARTI TRUST COLLEGE OF BUSINESS, COMPUTER SCIENCE AND RESEARCH, UMRAKH

A report on "Report on "Intellekt 2025: Unleash Your Potential""

Event Date:	10th January 2025
Event Venue:	Vidyabharti Trust Campus, Umrakh
Event Time:	09:30 AM Onwards
Organised By:	Vidyabharti trust college of business, Computer-science and Research, Umrakh.
Academic year:	2024-2025

The Vidyabharti Trust College of Business, Computer-Science, and Research successfully organized "Competition-2025" on January 10, 2025. The event provided students with a platform to exhibit their talents, develop creative skills, and enhance their confidence through a series of competitions.

Overview of the Competitions

A variety of engaging and skill-oriented competitions were conducted, catering to different interests and capabilities:

1. **Extempore Competition**

   Students were challenged to think on their feet as they were given topics on the spot. They showcased their public speaking and quick thinking skills within a limited timeframe.

2. **Debate Competition**

   Teams debated on topics provided during the event. Participants demonstrated their critical thinking, argumentation, and teamwork skills while addressing contemporary issues.

3. **Advertise Making**

   This creative event encouraged participants to design advertisements using their imagination and materials brought by themselves. It was an exciting challenge that combined creativity with marketing concepts.

4. **Presentation Competition**
   The participants delivered insightful presentations on themes related to business for BBA students and IT for BCA students. This event

allowed students to display their research, technical knowledge, and communication skills.

5. **VBT Shark Tank**

   Inspired by entrepreneurial ventures, this event allowed teams to pitch their business ideas or prototypes to a panel. Teams had 10 minutes to present their ideas, focusing on innovation, feasibility, and presentation skills

6. **Blind Coding**

   Coders competed in a unique challenge where they had to write programs in the C language without the benefit of direct code testing. This event tested their programming knowledge and logical thinking under pressure.

7. **Digital Logo Making**

   Participants were tasked with creating digital logos using their preferred design tools. The topic for the logo design was revealed during the event, encouraging participants to think creatively and deliver impactful designs.

Registration and Participation

The registration process was streamlined through an online form, making it convenient for students to enroll. The competitions saw active participation from students across various disciplines, highlighting their enthusiasm and commitment.

Conclusion

"Competition-2025" was a resounding success, fostering creativity, innovation, and teamwork among students. The event provided an excellent platform for personal and professional development, leaving participants motivated and inspired.
